CORPORATE STRATEGIES

JIL is a board-managed professional company, committed to creating enduring value for the shareholder and for the nation. It has a rich organisational culture rooted in its core values of respect for people and belief in empowerment. Its philosophy of all-round value creation is backed by strong corporate governance policies and systems.

JIL's corporate strategies are:

- Create multiple drivers of growth by developing a portfolio of world class businesses that best matches organisational capability with opportunities in domestic and export markets.
- Benchmark the health of each business comprehensively across the criteria of Market Standing, Profitability and Internal Vitality.
- Ensure that each of its businesses is world class and internationally competitive.
- Create distributed leadership within the organisation by nurturing talented and focused top management teams for each of the businesses.
- Continuously strengthen and refine Corporate Governance processes and systems to catalyse the entrepreneurial energies of management by striking the golden balance between executive freedom and the need for effective control and accountability.
